ON THE COVER

Centenary College has a storied history of producing good basketball teams. From that first team back in 1921-22 that won the Louisiana State Championship to the Robert Parish lead teams of the 1970's, to the Gents of today and for all those who donned the Maroon and White there has been something magical about playing basketball at Centenary. Thus the term "Maroon Magic" has evolved.

OUR NICKNAME

The unique nickname "Gentlemen" was first established in the fall of 1922. With the majority of Centenary men also soldiers, the moniker "Gentlemen" was a proud, respected name and a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in that season's football summary.

"...The boys were beginning to round into pretty good form by this time and as several recruits had been recently added we were beginning to resemble a real college football team."

"Yet there was some doubt on the eve of the first game. Reports from the Marshall camp had them recruiting from the boiler factories and we were made to believe that the Marshall team was coming to Shreveport to mop-up with the 'Gentlemen' (you see we had just taken the name of the 'Centenary Gentlemen' and far be it from us to start a dispute just at that time).

"Well, we put on our best manners but just couldn't help running up a 77-0 score..."

The nickname has stuck ever since and it was a natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

From any FAX machine, media members will be able to access updated information on Gent basketball, 24 hours a day, seven days a week.

The service makes Centenary basketball information available to the media at all times, with fact sheets, statistics, rosters, previous game information and results, plus a multitude of other information. A MESSAGE TO THE MEDIA

WELCOME:

We hope that the 1995-96 Media Guide will supply you with the basic information needed to cover the Gentlemen this season, but if additional information is desired please feel free to contact the Sports Information Office (located on the lower level of the Gold Dome) at 318- 869-5092, 318-869-5145 (fax), or write to: P.O. Box 41188-Gold Dome, Shreveport, LA 71134-1188.

Media credentials and photography passes are for admittance to the Gold Dome, the media room, and the courtside press tables. These passes are limited to working press only.

For those covering the Gents on a regular basis, it is necessary to request a season pass on company letterhead. For those needing passes for specific games and not the entire season, requests must be made no sooner than one week in advance of that game and no later than one day prior to the game. Credentials will **NOT** be granted on game day. A reminder, media seating on press row is limited so make sure you request a pass on a timely basis.

Requests for season passes and game passes should be directed to Sports Information Director Charlie Cavell.

Season passes will **NOT** be mailed, but will be made available in the Sports Information Office and can be picked up beginning November 1, 1995. Credentials that are not picked up will be available prior to tip-off at the Will Call window, located at the North entrance to the Gold Dome.

Please keep your press credential securely fastened and visible at all times to allow for identification by security and game management personnel.

GAME DAY:

The press room is located on the lower level of the Gold Dome, adjacent to the Sports Information Office, and serves three purposes. It is a **WORKING** press area, an interview room and a hospitality area. **PLEASE** be respectful to those members of the media who are trying to work. For those writers wishing to send stories from the Gold Dome there are several phone lines available on a first-come, first-serve basis.

Those wishing to **broadcast** from the Gold Dome should make requests through the SID office. One courtesy line will be made available at no charge to the official station of the visiting team. Visiting radio line number is 318-869-5400; trouble line number is 318-869-5298.

Game Information is provided by the Centenary Sports Information Office and includes a game program, fact sheets, media guides and statistics for each team. Halftime statistics and play-by-play sheets are delivered to the working press area. Flash stats are brought immediately to broadcast outlets following timeouts. Complete game booklets are assembled and made available in the working press room.

The Gents locker room is closed to the media. **ALL** interviews will take place in the press room, no exceptions will be made. Player interviews must be arranged through Centenary SID Charlie Cavell; visiting player interviews must be arranged with the visiting SID.

NCAA media guidelines require a 10 minute "cooling off" period after each game. A member of the Centenary SID staff will coordinate interview sessions. Due to travel, then visiting team members will be brought to the interview room first, then Centenary coach Tommy Vardeman will be available for interview following his post-game radio show. Media are **PROHIBITED** into the locker room to interview players or Coach Vardeman.

DURING THE SEASON:

Player interviews must be arranged with Gent Sports Information Director Charlie Cavell. In order to serve the media better, interview requests should be made at least one day in advance.

All practices, as a general rule, are open to the media, however, **NO** interviews may be conducted during practice or practice preparations. Interviews with players and coaches may be conducted after practice in the Sports Information Office.

Interviews with Gent head coach Tommy Vardeman and his staff can be arranged during workday hours Monday through Friday, by calling the sports information office at (318) 869-5092 or the basketball office at (318) 869-5090.

The Centenary Sports Information Office is located in Room 109 of the Gold Dome at 00 Atkins Street. The office is open from 8 a.m. to 5 p.m., Monday through Friday. Sports Information Director Charlie Cavell has an answering machine at his home or he can be paged by calling (318) 683-6096.

GENTS HOPE TO MAKE A MAGICAL RUN FOR THE TAAC TITLE...

Rebounding will be a big key if the Gents are going to make their bid for the championship.

A good mixture of veterans and newcomers will hit the hardwood for Centenary College in 1995-96. The Gents are hoping to make a magical run at the TAAC title, something they have not won since 1989-90.

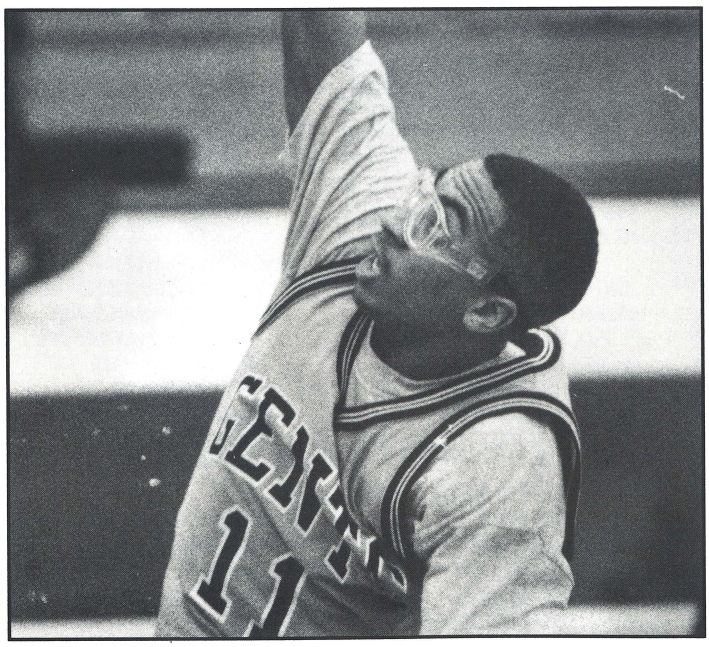
THE VETERANS

The Gents, who finished tied for fifth in the regular season Trans America Athletic Conference race and who fell to Mercer in the first round of the post-season tournament, return seven lettermen -- including three starters -- to the squad this coming season.

"I think we have got our three best players back," said seventh-year head coach **Tommy Vardeman** (84-85, .497). "If you look at it closely we really got a fourth starter back because James Harvey is back after sitting out last year with an injury."

The three starters returning include the senior guard tandem of **Anthony Stephens** and **Aljay Foreman**, as well as senior forward/postman **Lincoln Abrams**.

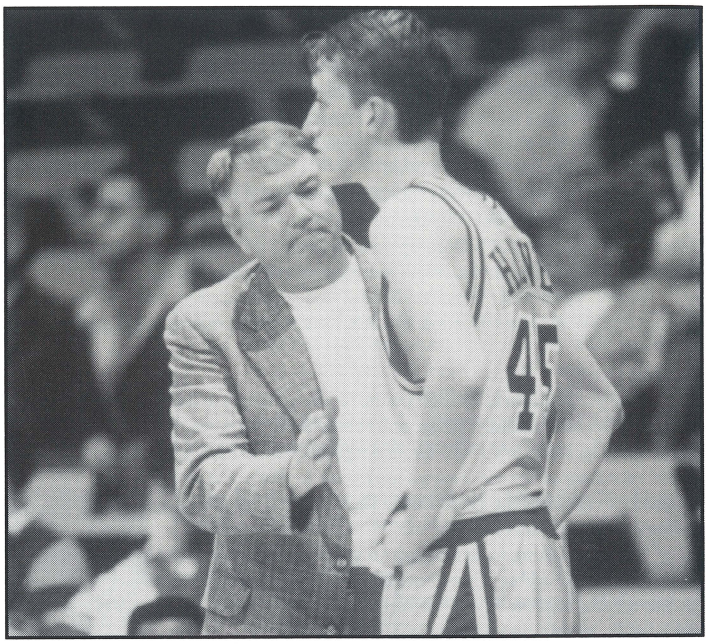
Stephens (5-10, 180) is the top returning scorer for the Gents, as the point guard he averaged 13.0 points per game while dishing out a conference leading 172 assists, for an impressive 6.4 per game average. Stephens, who is a three-year starter and three-year letterman, controls the offensive tempo for the Gents. He is the floor general and must be able to keep the Gents running game going. He did just that last season by averaging 2.1 steals per game which was a team high.



Senior guard Aljay Foreman, who averaged 12.4 points per game last year will be looked upon again this season as the Gents scoring threat.

Foreman (6-2, 175) is also a prolific scorer for the Gents, as the shooting guard he averaged 12.4 ppg and connected on 82 three-pointers as a junior. His .374 three-point percentage (82-of-219) was tops on the team. He also averaged 1.8 steals per game and was second on the squad with 3.0 assists per contest. Foreman will look to up his three-point percentage and provide the Gents with a long range threat.

"I wouldn't trade them for anybody else," the 53-year old coach said. "I would take Anthony and Aljay over anybody else we play against, they are that good."



Coach Tommy Vardeman utters some words of encouragemnent to senior forward James Harvery.

The other returning starter is senior forward/center **Lincoln Abrams**. Abrams had a great junior season after coming to Centenary from New Mexico Military Institute. Abrams (6-7, 215), averaged 11.4 points per game and was the team's leading rebounder as he pulled down 6.2 boards per game which was good enough to land him on the TAAC All-Newcomer Team. He will need to continue to be a strong rebounder in order to get the Gents transition game into motion.

Forward **James Harvey** (6-8, 180) started 17 games in 1993-94 at small forward and hit 23 three-pointers during that season. He averaged 6.8 ppg, 3.2 rpg as a junior. Harvey was granted a medical hardship after sitting out all of last year with a hand injury.

The other three returning lettermen who played a key part in the Gents winning seven of their last 10 TAAC games are **Walter Camper, Paxton Ross** and **Herbert Lang**.

Camper (6-1, 170), served primarily in a backup role to Stephens at the point last season. He played in all 27 of Centenary's games last season averaging 1.9 points per game while dishing out 1.7 assists per game. Camper will again see quite a bit of playing time this season, but mostly at the shooting guard because he can hit the long range jumper.

Ross (6-8, 215), is considered to be the catalyst of last season's 7-for-10 winning streak. A sophomore this season, Ross

saw considerable amount of action at the power forward spot during the latter part of the season. He played in 25 games averaging 4.5 points and 3.2 rebounds per game. Ross also shot 78 percent from the charity stripe as he connected on 26-of-33 free throws. He will be a strong contender to crack the starting lineup in 1995-96.

Lang (6-3, 180), played in 16 games last season averaging 2.3 points and 1.3 rebounds per game as a freshman. He is considered by the coaching staff to be the best athlete on the team and will challenge Foreman and Camper for playing time at the two guard.

One player who has been at Centenary for a year, but did not get to play last season because he was redshirted after transferring from the University of West Florida is Chad Rumfelt. Rumfelt (6-5, 195) brings his 9.0 points, 5.0 rebounds and 2.0 assists per game to Centenary after starting as a true freshman at West Florida.

Vardeman knew he had to find a way for the Gents to rebound better than they did in 1994-95. Centenary ranked last in the TAAC during the 1994-95 campaign being outrebounded by an 8.2 margin per game.

"Rebounding has always been a problem for us," Vardeman said. "We've never been able to attract rebounders, even in 79-80 when we won the title we were not a good rebounding team. We relied on turnovers because we were outrebounded almost every game."

THE NEWCOMERS

Vardeman and his staff went out and recruited some players they believe that will help crash the boards. **Cornell Hardman** and **Ben Echols** were both good rebounders in high school and Vardeman believes that they will help the Gents improve.

"Cornell is a good rebounder who fights for everything," said Vardeman. "He was the leading rebounder in the state of Oklahoma. Ben will grab some boards as well if not for anything else but his size alone. He is 6-10 and is an excellent shot blocker which will help out as well."

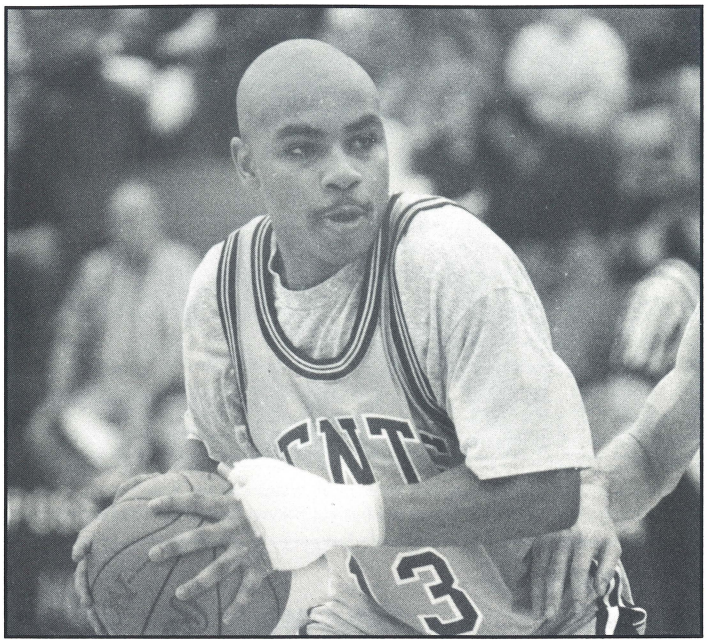
Hardman (6-7, 215) comes to Centenary from Owasso High School in Oklahoma where he averaged 18.9 points and 12.1 rebounds per game. His 12.1 boards per game average led the state of Oklahoma. If Hardman can quickly adapt to the college game he could see a good amount of playing time because of his rebounding ability.

Echols (6-10, 220) had a stellar senior season at Episcopal High School in Houston, Texas. He averaged 18.3 points, 11.0 rebounds and 4.0 blocks per game. Echols could see considerable time at the post.

Centenary also signed three other players who are expected to challenge the veterans immediately. **Roy Shvartzapel, Shay Journo** and **Cordell Williams** will all vie for playing time.

Shvartzapel (6-1, 170) is expected to come in and push Stephens at the point. His ball handling skills and court presence are backed up by his 13.0 points per game average and his lofty 9.0 assists per game average.

Journo (6-7, 225) and Williams (6-5, 190) were teammates at Bossier Parish Community College and help lead the Cavaliers to a 25-7 record. Both will add depth at the forward and guard spots respectively.



Senior guard Anthony Stephens dished out 172 assists in 1994-95 which led the TAAC.

THE SCHEDULE

Once again Centenary will have another tough schedule this year. The early non-conference schedule is one that should get the Gents ready for TAAC play when it rolls around in January.

Highlighting the 26-game slate will be a visit to the Gold Dome from NCAA Tournament participant the Tulane Green Wave in November and a game with in-state foe the Louisiana Tech Bulldogs in early December.

The Gents will also visit Baton Rouge to tangle with the LSU Tigers. Centenary will compete in the Dr. Pepper Tournament against such quality opponents as Auburn and Baylor. The Gents will do battle with Texas Christian and Lamar.

"I feel good about our schedule," Vardeman said. "We've got some pretty good guys in Tulane, LSU, Baylor and TCU. You have to face those good teams its just the nature of the beast. It really doesn't matter how good your team is, its how good your opponent is. If you're the second best team in the country it doesn't matter how good you are if your playing the best team in the country."

The TAAC slate will again be as tough as always with trips to Central Florida, Stetson and to the defending tournament champs Florida International. The Gents will try to make that run to the title against the defending regular season champs College of Charleston as well as Southeastern Louisiana, Samford, Georgia State, Mercer and Campbell. Centenary will also face the newcomers to the league in the Jacksonville State Gamecocks.

PAXTON ROSS

TOMMY VARDEMAN

Beginning his 17th year as a coach at Centenary College is Tommy Vardeman. He has been the head coach of the Gents for the past six seasons and has posted a 84-85 (.497) record.

He first came to Centenary an assistant coach under Tommy Cantebury back in 1979. Vardeman was named the head coach prior to the 1989-90 season.

The 53-year old Vardeman, is the Dean of the Trans America Athletic Conference coaches and he has taken the Gents to great heights in his six years. In his first two seasons the Gents posted a combined record of 39-20 (.661) while winning the TAAC Championship in 1989-90 and finishing second in 1990-91. Vardeman was also named the *TAAC Coach-of-the-Year* in those two seasons, while producing two TAAC Player-of-theYear selections in Larry Robinson and Patrick Greer.

In his first season, "TV" led the Gents to a 22-8 overall record, a TAAC Regular Season Title, and the school's second straight appearance in the TAAC Tournament finals, which are televised nationally on ESPN.

The Center, Texas native, has a wealth of experience and knowledge of the game unsurpassed in the TAAC. His 28 years in the coaching ranks began at Cleveland (TX) High School and included stints at Crosby Channelview and Liberty-Eylau in the Texas prep ranks.

The 1965 graduate of Stephen F. Austin, moved to the college ranks as a graduate assistant at Louisiana Tech where he completed his Master's Degree in education in 1970. Vardeman then moved on to coach at Missouri Baptist Junior College and Henderson State, before returning to Louisiana Tech as the top assistant for four years.

After a one-year hiatus from coaching, Vardeman got the call from Tommy Cantebury to come to Shreveport and be the top assistant at Centenary. Then prior to the 1989-90 season he got his chance to be a head coach at the school where he had spent the past 11 years.

As the Gents mentor, Vardeman has guided Centenary to a TAAC Regular Season Championship and a TAAC Tournament Title, besides finishing the regular season as the runners-up once and the tournament runners-up four times.

One thing that makes Vardeman proud about his program is the success of his players in the classroom. Centenary won the 1994-95 TAAC All-Academic Trophy and five Gent basketball players were among those who earned All-Academic honors for posting a grade point average of 3.0 or better.

Known in coaching circles for his witty repartee and fierce competitiveness on the sidelines, Vardeman has instilled an up-tempo, break neck style of play into his troops. The Gents have consistently been at the top of the conference in scoring, steals and turnover margin each year he has been the head coach.

Vardeman and his wife, the former Sharon Crocker of Garland, Texas, have two married daughters; Juli and Jennifer. Both of the coach's daughters are graduates of Centenary.

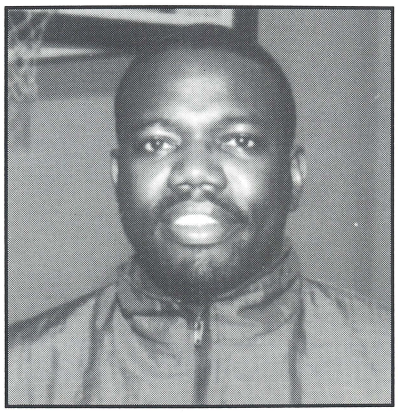
WILLIE JACKSON



Willie Jackson begins his eighth season as an assistant on the Gent coaching staff.

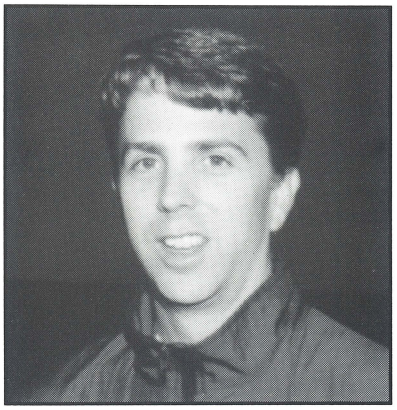
Gent fans still remember "Jack" racing up and down the court from 1980-84. Arguably, the finest player to ever don a Centenary basketball uniform, Jackson tossed in a school record 2,535 career points (22 ppg over four years) and grabbed 1,013 rebounds (second only to former Gent and current NBA great Robert Parish's 1,820).

During his years at Centenary, Jackson became the only player in TAAC history to be named the league's Player-of-the-Year three times, and as a freshman he was voted the TAAC Newcomer-of-the-Year. The Sibley, Louisiana product tossed in 30 or more points in 21 games as a Gent, as well as having led his high school team to a then national-record 100 consecutive basketball wins.

Jackson was drafted in the fourth round of the NBA Draft by the Houston Rockets, but became the final guard released before the start of the 1984-85 season. Jackson spent the next two years (84-86) playing in the CBA for the Wisconsin Flyers and Sarasota Stingers. Prior to his arrival on the Centenary campus, Jackson spent two years as head basketball coach at Caldwell Parish High School.

Jackson is married to the former Zebber Satcher (a fellow Centenary graduate and a Lady hoopster). Together they have two daughters, seven-year old Ashley and two-year old Alexis.

PAUL RASMUSSEN



Paul Rasmussen begins his fourth season as an Assistant Coach for the Gents this year.

Rasmussen is in charge of all aspects of recruiting for the Gents.

In addition to recruiting, he also is responsible for coordinating the team's daily practice schedule.

Rasmussen also handles a majority of the defensive schemes the Gents use. His defensive instruction has been a key in the Gents recent resurgence in tenacious full-court pressure. The Gents 241 steals, which is 8.9 steals per game, led the TAAC. It marked the second consecutive year that Centenary led the league in thefts.

The 26-year old Rasmussen also serves as the Assistant Athletic Director for Marketing and Development. He was appointed to the position in the Fall of 1994.

Prior to graduating from Centenary with a bachelor's degree in History in 1991, Rasmussen worked as a student manager for Coach Dave Bliss at both Southern Methodist University and the University of New Mexico.

The Shreveport native, earned his master's degree in Sports Management and Marketing from the University of Richmond. He has also worked in Washington, D.C. for ProServ, a sports marketing firm before coming to Centenary.

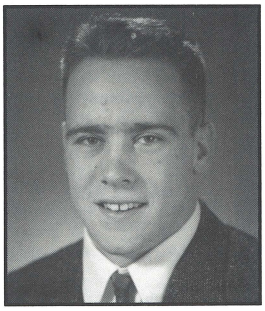
This season his coaching duties will include film exchange, keeping game statistics for the coaching staff, and various other managerial duties.

The 21-year old Prysock, is a health and exercise science major who plans to graduate in 1997.

JOSH STONER



Josh Stoner begins his second season as the Gents team manager.

Stoner, a native of Denton, Texas is a 1994 graduate of Denton High School.

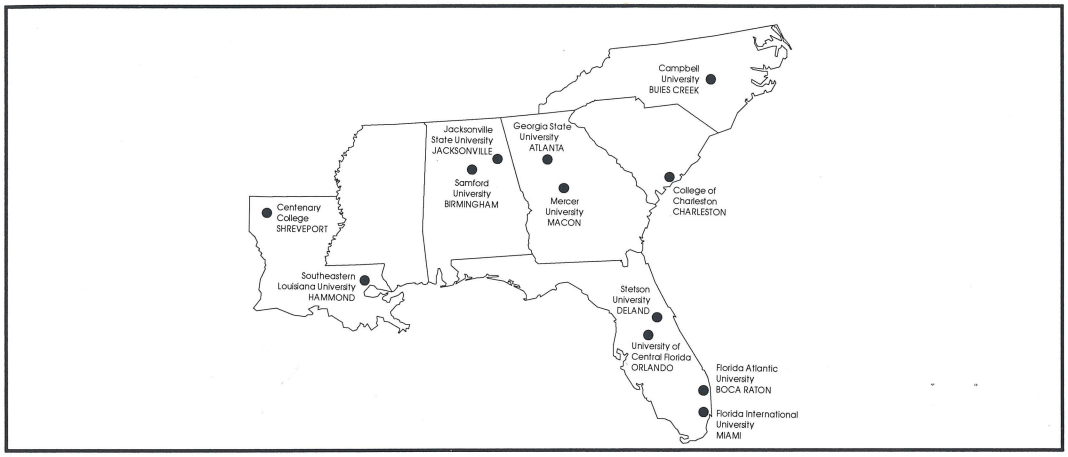
TRANS AMERICA ATHLETIC CONFERENCE

CENTENARY ENTERS 18TH YEAR IN THE TAAC...

The Trans America Athletic Conference is one of the nation's fastest growing conferences in the country. The TAAC boasts a mixture of old and new, tradition and change, that can't be matched.

Founded on September 19, 1978, by eight NCAA Division I Independents, (Centenary, Hardin-Simmons, Houston Baptist, Mercer, Northeast Louisiana, Oklahoma City, Texas-Pan American and Samford), the TAAC has evolved over its 18-year history without changing its initial premise: "Assist member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

Beginning in 1995, the TAAC will now consists of 12 schools, including: Centenary, Campbell, Central Florida, College of Charleston, Florida Atlantic, Florida International, Georgia State, Jacksonville State, Mercer, Samford, Southeastern Louisiana and Stetson.



This season, the TAAC welcomes the Gamecocks of Jacksonville State located in Jacksonville, Alabama, as its newest member. JSU will compete in 12 sports in the conference beginning this fall.

Trans America Athletic Conference athletes and teams rank among the nation's best, and the NCAA Championships provide the season-ending proving ground for them all. In 1995-96 the TAAC will four automatic bids to NCAA tournaments in men's and women's basketball, baseball, men's soccer. TAAC Champions in volleyball, women's soccer, and softball will participate in NCAA Play-In matches (winner advances to NCAA Tournament). Over the last two years, TAAC teams are 4-0 in NCAA Play-In competition.

The conference continues its growth as one of the top all-around collegiate conferences in the country. With an expected total of more than 2,000 student-athletes participating in TAAC play over the next year, the Trans America Athleitc Conference, now more than any time in its history, is fulfilling its mission of providing the best in both academics and athletics.

1994-95 SEASON IN REVIEW

A slow start, a fast finish, and an abrupt ending would be the best way to describe Centenary's 10-17 basketball season in 1994-95.

Tommy Vardeman and his Gents experienced a wave of emotions that stretched from day one of fall practice to their TAAC Tournament loss to Mercer.

First, there was the ***anticipation***. The Gents entered the season coming off a 16-12 campaign and returned three starters to the lineup in junior guard Aljay Foreman, junior guard Anthony Stephens, and senior swingman Jamar Comeaux. Also scheduled to be back was guard-forward James Harvey, who started 17 games in 1993-94.

Then there was the ***reality***. The Gents would go to war without three players who controlled the middle the season prior. All-TAAC forward Nate Taylor and 6-10 center Allan Jaster both graduated, while the 6-8 Harvey was forced to redshirt the entire season due to an injury he suffered prior to the start of fall practice. The Gents would also enter the season without sixth-man Derrick Jacobs, who had a fine senior season as a backup point guard in 1993-94.

But, there was still ***hope***. Five seniors would form the nucleus of the team and would nurture two returning redshirts, three newcomers, and the remaining three lettermen into what it would take to try to win the TAAC Tournament Championship and the league's automatic bid.

The ***excitement*** began on November 26 when Centenary hosted ex-TAAC rival Arkansas-Little Rock in the season opener. A career-high 24 points from Stephens (including a record-tying 12-for-12 performance from the free throw line) and a career-high 17 rebounds from senior forward **James Thomas** wasn't enough to stop Wimp Sanderson's Trojans in an 86-77 loss.

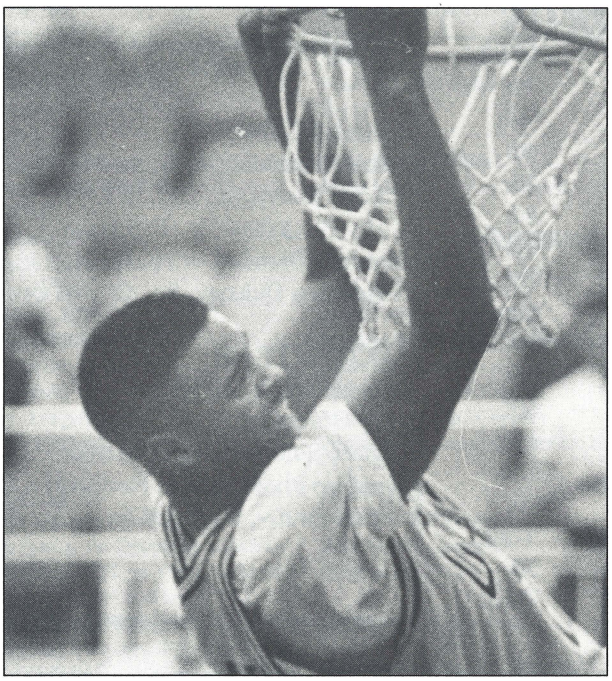
A lesson in ***humility*** followed, as Centenary couldn't stay with Southwest Conference power Rice in an 82-56 loss in Houston.

An 85-74 victory over Alabama State in the first round of the Pizza Hut Classic gave the Gents a dose of ***confidence*** heading into the championship game with host Southwest Missouri State. Centenary led SMS 29-25 at the half and 47-45 with 8:23 to play, but the Bears took over the game with a 14-0 run over the next 3:35 to take a 68-59 victory.

Next up for the Gents was a visit to Arkansas at sold out Bud Walton Arena. In front of 20,014 fans, Centenary went toe-to-toe with the defending national champions for the first 17 minutes of the game. It is every team's ***desire*** to knock off the best, and the Gents started out like they were ready to do so. Centenary, which got a career-high eight 3-pointers from Foreman, led 28-27 with 9:31 left in the first half and trailed just 50-45 with 3:04 remaining in the first stanza. However, an 8-0 run to end the first half and a 19-0 spurt early in the second half helped the Hogs pull away and take a 121-94 victory.

Down but not out, Centenary regrouped to win two of their next three games heading into the Christmas holidays, including a 97-65 victory over the University of Dallas and a thrilling 115-107 win over Stephen F. Austin that gave Centenary a 3-5 overall record at the break.

When the Gents opened TAAC play on January 2 at Southeastern Louisiana they were ***optimistic*** of making a run at the conference title. But a series of five straight close losses, including four in TAAC play left the Gents ***bewildered***.



Jamar Comeaux led the Gents in scoring in 1994-95.

Frustration mounted, and the top two teams in the TAAC took advantage of the situation. Stetson routed the Gents 94-60 and College of Charleston took an 83-62 victory at the Gold Dome to slide Centenary to 3-12 overall and 0-6 in TAAC play.

The Gents had sunk to their lowest point of the season with seven straight losses. ***Discouraged***, they turned to the one thing they had left...each other.

Determined to put something together, the Gents did just that. Centenary would win three of its next four games, which included an 86-83 overtime win over Stetson and a 70-68 win at eventual TAAC Tournament champion Florida International that was the Gents' first TAAC road victory of the season.

After back-to-back losses to Central Florida, the Gents had to regroup again for the stretch drive. Centenary did, and the Gents won four of their last five games to enter the tournament as one of the hottest teams in the league after a ***respectable*** fifth-place TAAC finish.

Included in the victories were four straight over TAAC foes to end the season. Comeaux ignited their ***drive***, scoring 29 points in a 93-81 win over Florida International and 31 points in a 95-90 victory over Southeastern Louisiana in his final home game. Stephens kept the climatic surge going with a leaning three-pointer with 4.5 seconds left to force overtime at Georgia State, and then hit the game-winner with 4 seconds remaining in Centenary's 84-82 victory. Josh Wagoner then scored 13 points and Paxton Ross added 8 rebounds in Centenary's season-ending 81-67 win that eliminated Campbell from post-season play.

The only setback Centenary sufferred the last five games was an 83-65 loss at Tulane, in which the Gents trailed by just five with 4:35 to play.

In the first round of the TAAC Tournament, Centenary sufferred a ***disappointing*** end to its season in a 90-88 loss to Mercer. The Gents let an eight-point lead slip away in the closing minutes and their dream was suddenly over.

Despite the trials and tribulations the Gents experienced throughout the season, Centenary still had something to be proud of.

Jamar Comeaux finished his career ranked 18th on the school's career scoring list with 1,147 points and also ranks in the top 10 in both steals and three-pointers made.

Lucien Bianchi won the AT&T Long Distance award for the first half of the season by hitting 17 of his first 25 (68%) three-point attempts.

Fellow seniors Josh Wagoner, James Thomas and Trenton Smith also closed out their careers ranking in the school's career top 10 in selected categories.

Although Centenary came up short in their goal of winning the TAAC, the Gents displayed the ***heart*** and ***courage*** down the stretch that it takes to be a champion both on and off the court. The Gents can take it as yet another valuable lesson learned at Centenary College of Louisiana.

THE GOLD DOME...

"HOME OF THE GENTS"

The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary basketball team, the Gold Dome is also the home of the Centenary Ladies volleyball team.

The multi-purpose facility, constructed at a cost of 1.3 million plus equipment, has a seating capacity of 4,000 with cushioned armchairs on the upper level bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic and physical education departments, two classrooms, and four large carpeted dressing rooms.

Like the building itself, the floor area is multi-purpose. A new portable hardwood floor was inserted in 1989 for basketball, and will be the home of the volleyball team again this season. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts. At the east end of the building are two championship handball courts, complete with spectator windows.

The dome was designed by the Shreveport architecutral firm of Somdal-Smitherman-Sorensen-Sherman and Associates. Whitaker Constuction Company of Shreveport was the contractor, while the Temcor Company of California erected the gold-colored dome.

CENTENARY COLLEGE

ACADEMIC SUCCESS

Founded in 1825, **Centenary College** is the oldest private liberal arts institution West of the Mississippi River. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

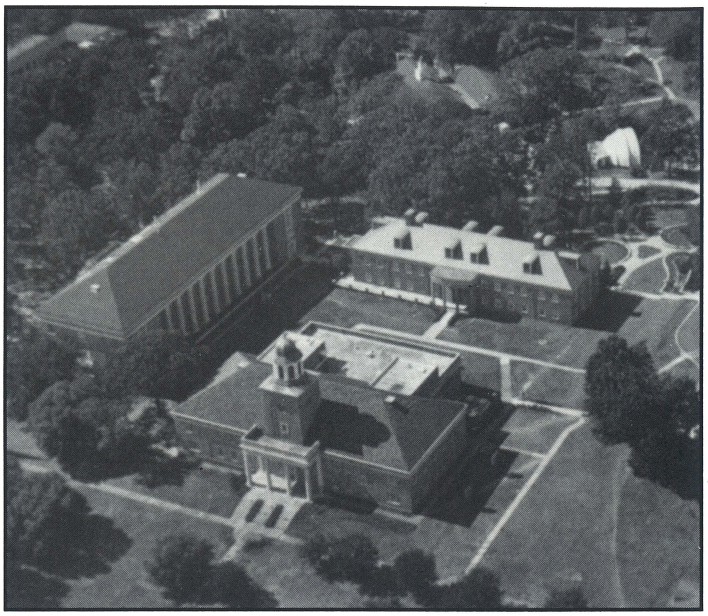
Centenary boasts a student/professor ratio of 11 to 1 for its 1100 graduate and undergraduate students, while classes rarely exceed 30 in popular introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. The college offers the Bachelor of Arts, Bachelor of Science and Bachelor of Music degrees in 37 subject areas and a broad range of programs in a variety of pre-professional and interdisciplinary fields. Recently, a Centenary education was recognized in ***"Money's Guide to the Best College Buys"*** as the 27th "Best Buy" in the United States, as well as ninth in the southeast region and tops in Louisiana based on the quality of education and competitive pricing Centenary offers.

Shreveport is located on the West bank of the Red River in Northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport and is widely known for its natural beauty and stately Georgian architecture.

ATHLETIC HISTORY

Centenary has a treasured history in athletics, dating back to the mid-1800's. While the first basketball game on record didn't occur until 1921, Centenary had already fielded teams in baseball and football.

As a matter of fact, Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0-0 record back in 1927 with a team coached by **Homer Norton**. That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.



In that era 13 Centenary football players went on to professional gridiron careers, including: **Conway Baker**, **Buddy Parker**, and **Cal Hubbard**.

Hubbard, a mountain of a man at 6-2 and 253 pounds, was the most illustrious of the group, starring on championship teams and earning induction into the ***National Football League Hall of Fame*** and the ***NCAA College Football Hall of Fame***. He is a triple rarity in that he also is in the ***Major League Baseball Hall of Fame*** as an umpire.

Centenary also owns one **NCAA Football record** that still stands today--most punts by two teams in one game. The answer is 77 punts as the Gents battled Texas Tech to a 0-0 tie on November 11, 1938 in Shreveport. In that game players reported the rain was so hard that the water was entirely above their shoes.

Centenary later discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region but the school's athletic success continues still today.

ATHLETICS TODAY

Centenary is a charter member of the **Trans America Athletic Conference** (established in 1978) and sponsors 14 men's and women's intercollegiate sports. Basketball, baseball, soccer, cross-country, tennis, golf, and rifle for men; soccer, cross-country, tennis, volleyball, gymnastics, softball, and rifle for women. In the 17-year history of the TAAC the Gents have won 10 conference championships. The Centenary Athletic Department was the recipient of the Jesse Fletcher Award in 1983-84 for the TAAC's best all-around program and has been runner-up for the honor from 1988-1990

Centenary is also the alma mater of current NBA great **Robert Parish** of the Charlotte Hornets and **Larry Robinson**, formerly of the World Champion Houston Rockets, Professional Golfer **Hal Sutton**, former U.S. Olympic Gymnast **Kathy Johnson** and former Major League Baseball Pitcher **Cecil Upshaw**.
